U.S. Forward Operating Location (USFOL) Assists Anglican Church of Curacao

On 29 November 2011, 14 volunteers from the 429th Expeditionary Operations Squadron located at the U.S. Forward Operating Location (USFOL) visited the Anglican Church Curacao (ACC). Volunteers armed with weed trimmers, lawn mower and shrub clippers cleared large sections of overgrown grass on the church property. One USFOL volunteer commented, "I was honored to help make a difference in the local community. This was the highlight of my time in Curacao." USFOL personnel have been long-time advocates for the local community and this was yet another outstanding effort to assist a local community organization.
