U.S. Forward Operating Location (USFOL) Assists Fuik Community Center with After School Program

On 9 January 2012, a contingent of U.S. Forward Operation Location (USFOL) personnel from the 429th Expeditionary Operations Squadron made a donation of their time, new recreation equipment and school supplies for children at the Fuik community center. Two personnel from the U.S. FOL fire department conducted a presentation for the children and presented Fuik leadership with an assortment of new basketballs, soccer balls, Frisbees and hula-hoops. Notebooks, pencils, pens and crayons were among the assortment of school supplies donated to help the children with their education. A U.S. FOL member commented, "It was a wonderful experience and a true eye opener." The U.S. FOL personnel have been long-time advocates for the local community and this was yet another outstanding effort to promote the welfare of Curacao's youngest members.
