Senior Citizens At “Nos Welita” Appreciate USFOL Support

On 28 September 2012, volunteers from the U.S. Forward Operating Location (USFOL) assisted the Nos Welita Senior Citizen's Home Project. Equipped with paint, rollers, and brushes, the volunteers spent the morning breathing new and more colorful life to several walls in the center. This event was integral to the completion of the overall project - a building which will serve as the home of forty senior citizens. The men and women working at the USFOL are frequent volunteers in the local community.
