U.S. Veterans Discover Scuba Diving in Curacao

A group of U.S. soldiers who were severely injured during their tours of duty in Afghanistan and Iraq had an opportunity to learn to scuba dive thanks to the Soldiers Undertaking Disabled Scuba (SUDS) program in Curacao from September 5 to 10. Local sponsors included Ocean Encounters and the Sunscape Curacao Resort, with assistance from the U.S. Air Force Forwarding Operating Location in Curacao and the U.S. Consulate General. It was a rewarding experience for the courageous soldiers as well as for the local supporters. Pictured are members of the group at the residence of the U.S. Consul General.
