### **U.S. FOL Volunteers Clean Parke Tropikal Zoo**

On 30 January 2013, over 20 personnel from the U.S. Forward Operating Location (USFOL) volunteered for service at the Parke Tropikal Zoo. They cleared a large field to be converted to a picnic area, filling up an entire shipping container full of debris. The zoo and the USFOL continue to build a positive working relationship to improve the park, so that it can provide a safe and enjoyable space for the animals and visitors.
