Fuik Children's Center Receives Help From USFOL Volunteers

Twelve volunteers from the U.S. Forward Operating Location (USFOL) visited the staff of FUIK Children's Center to support their programs through sports and other activities on June 27, 2015.

The FUIK Center provides an encouraging after-school environment for children to get help with homework and focus on special skill building activities. The USFOL team devoted the afternoon hauling trash, cutting down trees, and clearing ditches.

The USFOL involvement with local organizations demonstrates their long-standing appreciation for the hospitality received from the citizens of Curaçao.
