### **USFOL Volunteers and SEDA Staff Join Hands**

On May 12, 2015, four volunteers from the U.S. Forward Operating Location (USFOL) partnered with five volunteers and staff from Fundashon Sentro di Dama (SEDA).

The USFOL team devoted two hours cleaning up the grounds and providing minor landscaping to the community center.

SEDA is a non-profit organization focused on supporting women, children, and teens in crisis as well as a variety of outreach projects.

Engagements such as these demonstrate their eagerness for community involvement and their long standing appreciation for the hospitality received from the citizens of Curaçao.
