USFOL Volunteers Help Clean Koredor

On June 25, nine volunteers from the U.S. Forward Operating Location (USFOL) spent two hours picking up trash and debris that washed up on the shores of the Koredor running trail on Curaçao. The Koredor is used by residents and tourists daily for recreational use.

The USFOL involvement with local organizations demonstrates their eagerness for community involvement and their long standing appreciation for the hospitality received from the citizens of Curaçao.
