USFOL Volunteers Support SEDA's Beautification Project

On June 21, eight members from the U.S. Forward Operating Location (USFOL) Curacao supported a community outreach event at the Fundashon Sentro di Dama (SEDA) Women's Center.

The USFOL members helped the SEDA Director and staff with landscaping, yard work, and beautification projects on the property. Additionally, this clean-up day benefited two local families with five children who will move into the premises in the next few weeks.

Since 2000, the USFOL has built strong partnerships with local community-based organizations to express their appreciation for the hospitality they have received from the citizens of Curacao.
