best meets their needs without further justification. These contract fares may be obtained only with a GTR, a Government Travel Charge Card or a CBA.

3.2.2.2. Promotional or other types of discount fares can be used on contract city/airport pair routes if they are offered by the contract carrier and are lower in cost than contract fares. Contract fares shall not be used for any personal travel, including those instances where portions of personal travel are substituted for a leg of an officially authorized trip.

3.2.2.3. There are a limited number of non-contract fares (YDG or similar), restricted to official Government travelers, which are obtainable only with a GTR, Government Travel Charge Card, or CBA. Such fares can only be used when contract fares are not available or when offered by the contract carrier in that city/airport pair route at a lower cost than the contract fare.

3.2.2.4. When non-contract carriers offer restricted or unrestricted coach fares to the general public which are lower than the Government contract fares, the Contractor may only use such lower fares on the application of exceptions contained in the current GSA Airline City-Pair Program. GSA contracts annually for air passenger transportation services between designated city/airport pairs. Since the contract is awarded annually the contractor must check the most current contract found on the Internet at <http://www.gsa.gov>, then click on "Travel on Government Business".

3.2.2.5. It should be noted, however, that any restricted fare which provides for a monetary penalty for itinerary changes or flight cancellations shall not be used without the written consent of the using agency.

3.2.2.6. Full coach fares may be used if no reduced fares are available.

3.2.3 The Fly America Act generally precludes use of non-US flag carriers, except as provided in the FTR and the Foreign Affairs Manual, Volume 6.

3.2.4. The Contractor shall provide the Government with the reservation and ticketing services which industry practice normally accords corporate or private travelers, to include new and improved reservation and ticketing technologies. These shall include a 24-hour, local mobile phone number available to travelers to perform emergency itinerary changes and emergency services outside regular business hours. The Contractor shall be responsible for ensuring that any subcontractor providing such emergency service complies with all conditions of the contract.

3.2.5. The Contractor may only issue premium class tickets for which the Government will have to pay an additional amount when the accompanying travel orders provide authority for that travel. This does not apply to situations in which frequent flyer benefits will be used to obtain the premium class tickets.

3.2.6. Back-to-back faring, or hidden city ticketing are prohibited under this contract.

- a statement and a copy of the passenger receipt coupon of all charges associated with the transportation ticket, including the ticket number, price, fees charged and a description of those fees.
- Indicate type of ticket, electronic or paper.
- if use of a non-contract carrier is authorized, the Contractor shall annotate one or more of the following reasons to show contract city-pair coverage and agency justification for non-use. The Contractor may use alpha or numeric codes for representation;
 - Space or scheduled flights are not available in time to accomplish the purpose of travel, or use of contract service would require the traveler to incur unnecessary overnight lodging costs which would increase the total cost of the trip; or
 - The Contractor's flight schedule is inconsistent with explicit policies of individual Federal departments and agencies, where applicable, to schedule travel during normal working hours; or
 - A non-contract carrier offers a lower fare available to the general public, the use of which will result in a lower total trip cost to the Government, to include the combined costs of transportation, lodging, meals, and related expenses. Note: This exception does not apply if the contract carrier(s) offers a comparable fare and has seats available at that fare, or if the lower fare offered by a non-contract carrier is restricted to Government and Military travelers on official business and may only be purchased with a GTR or Government contractor issued general charge card, such as, YDG, MDG, ODG, VDG and similar fares.

In providing this service, the Contractor may be required to provide Travel Counselors/Reservationists on weekends, holidays and/or weekdays before or after normal office hours. In adhering to this requirement, the Contractor shall comply with all local labor laws including the payment of staff overtime when applicable.
