3. Performance work statement

a. React teams and monitoring

The CAMS shall operate 24 hours a day, 7 days a week. Upon receiving an alarm activation or telephone call requesting assistance at the Center, the Contractor shall dispatch the nearest react team able to respond in the shortest time. React teams shall respond within 10 minutes.

The contractor shall report selected active alarms to Embassy contacts as directed by the Government.

The Contractor shall maintain a log of all call-outs for response by the react teams, including "false" alarms.

Each react team shall consist of a minimum of one (1) security guard. This security guard may also be the driver.

The react team members shall be authorized and issued valid guard license by the Danish Police.

The Contractor shall provide all react team members with a standard identifiable uniform and all team members must present a professional, clean, and neat demeanor and appearance. The Contractor shall ensure that the react team possesses a working capability of the English language.

b. React Vehicles

The Contractor shall provide and maintain vehicles in a high state of repair and readiness for the react teams. There shall be a sufficient number of vehicles to assure continuous availability of vehicles.

c. Reaction equipment

The Contractor shall provide or arrange for all radios, flashlights or other necessary equipment for React Vehicles/Teams.

d. Communications Network

The Contractor shall provide and employ a communications system in the form of a base station radio transmitter/receiver and antenna to monitor and communicate with the React Teams and/or communicate with the React Teams via mobile phone with text messaging capability.

e. Base Operations Center

The Contractor shall maintain a 24-hour, 365-day per year operation center. The Contractor must staff the operation center with personnel who possess working-level English language capability. The Center shall be responsible for receiving alarms/signals from Government residences or staff indicating a need for emergency assistance. The Center shall dispatch React Teams to comply with III.a.

f. Logs and records

The contractor shall keep a complete log of all calls, react teams dispatched, follow-up actions, report malfunctions, and equipment maintenance and provide a copy to the Government on request

g. Notification to the Embassy

Immediately after an alarm or panic alert is received and a React Team is dispatched, the Contractor's operations center shall notify the Embassy's designated point of Contact and inform concerning progress and resolution.

h. Maintenance and repairs

The contractor shall monitor the functionality of the alarms systems and notify the Government if any faults or malfunctions occur.

Faulty components or parts shall be replaced or repaired with no extra cost to the government.

Faulty components or parts shall be repaired or replaced with 24hrs, granted that access to the systems is approved by the government. If for any reason access cannot be approved repairs shall be rescheduled later date, based on a mutual agreement.

The contractors shall provide maintenance plan scheduling annual maintenance visits to ensure all components and parts are operational. Faulty components or parts shall be replaced when identified during these visits.

i. Technical staff

All technical staff assigned by the contractors must be fully trained and qualified in the installed alarms systems as described in I.

Technical staff assigned by the contractor shall be authorized and issued valid guard license by the Danish Police.

j. Technical upgrades

Technical upgrades or changes of the installed alarm systems including adding and removing of parts must be approved by the Government and shall be included in the contract.

And technical changes shall be supported by diagrams and technical documentation and schematics.

4. **Insurance:**

a. Amounts of insurance

The Contractor's attention is directed to FAR Clause 52.228-5, "Insurance - Work on a Government Installation". As required by this clause, the Contractor is required to provide whatever insurance is legally necessary.

The Contractor shall also obtain any other type of insurance required by local law or that are ordinarily or customarily obtained in the location of the work. The limit of such insurance shall be as provided by law or sufficient to meet normal and customary claims.

The Contractor agrees that the Government shall not be responsible for personal injuries or for damages to any property of the Contractor, its officers, agents, servants, and employees, or any other person, arising from and incident to the Contractor's performance of this contract. The Contractor shall be hold harmless and indemnify the Government from any and all claims arising therefrom, except in the instance of gross negligence on the part of the Government.

The Contractor shall obtain adequate insurance for damage to, or theft of, materials and equipment in insurance coverage for loose transit to the site or in storage on or off the site.

5. Responsibility of Contractor:

a. Damages to Persons or Property

The Contractor shall be responsible for all damages to persons or property that occur as a result of the Contractor's fault or negligence, and shall take proper safety and health precautions to protect the work, the workers, the public, and the property of others.

(d) Comptroller General Examination of Record. The Contractor shall comply with the provisions of this paragraph (d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, and does not contain the clause at [52.215-2](#), Audit and Records-Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR [Subpart 4.7](#), Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e)(1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c), and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph (e)(1) in a subcontract for commercial items. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause-

- (i) [52.203-13](#), Contractor Code of Business Ethics and Conduct (Apr 2010) ([41 U.S.C. 3509](#)).
- (ii) [52.219-8](#), Utilization of Small Business Concerns (Oct 2014) ([15 U.S.C. 637\(d\)\(2\)](#) and (3)), in all subcontracts that offer further subcontracting opportunities. If the subcontract (except subcontracts to small business concerns) exceeds \$650,000 (\$1.5 million for construction of any public facility), the subcontractor must include [52.219-8](#) in lower tier subcontracts that offer subcontracting opportunities.
- (iii) [52.222-17](#), Nondisplacement of Qualified Workers (May 2014) (E.O. 13495). Flow down required in accordance with paragraph (l) of FAR clause [52.222-17](#).
