

The U.S. Foreign Commercial Service invites to:

# Offshore Technology Conference 2014

**Trade Show & Exhibition: May 5-8, 2014**  
**Reliant Park, Houston, Texas USA**

Join our Delegation:

The US Foreign Commercial Service, Cairo U.S Embassy, Invites you to be part of our Delegation to discover new technologies and techniques at the 2014 Offshore Technology Conference (OTC 2014). OTC is the world's foremost event for the development of offshore resources in the fields of drilling, exploration, production, and environmental protection.

OTC 2014 will feature indoor and outdoor displays by major oil and gas companies and related subsidiary industries, equipment manufacturers and service providers of the latest technological advances in such categories as: Drilling, Exploration, Fabrication, Instrumentation & Controls, Environmental, Marine, Materials, Oilfield Chemicals, Oil Spill Cleanup, Pollution Control, Process, Production, Safety, Seismic, Specialized Equipment, Sub-sea Exploration, Survey, Telecommunications, Testing, /tools, Training, Transportation, Well Completion and Workover & Wireline.

Traveling as a part of our delegation, you will be provided with logistical assistance from the U.S. Department of Commerce, as well as help in arranging matchmaking meetings with potential business partners.
