

## UNITED STATES EMBASSY SAN SALVADOR

### PR4559006 - SES60015Q0084 – INL/ Partition wall system / Room dividers

The American Embassy San Salvador has a requirement for a contractor to supply and install Partition wall system / room dividers / use to interior room dividers.

#### Specifications:

- Material: Vinyl fabric. Durable fabric, light fast, flame retardant, and rot proof
- Color: similar to the existing room carpet
- Top hung: track on the ceilings
- Soundproofing room dividers: sound reduction up to 35dB max. Sound insulation rubber around the board to help insulate the sound entering
- Installation on site

Submit your interest in participating and an email with date, time, and point of contact for a planned site visit will follow. This site visit will provide future offeror with measurements of room; color of fabric; and other related information for submission of an accurate price quotation.

Award will be made to the lowest priced, acceptable, responsible quoter. The Government reserves the right to reject quotations that are unreasonable low or high in price.

The Government will determine acceptability by assessing the offeror's compliance with the terms and specifications of this price quotation request.

If interested, submit a quotation via email to the undersigned not later than September 5, 2015, at 11:00 am. Oral quotations will not be accepted.

Sincerely,

*Kryssia Blandon*
