

Demonstration Notice - November 19, 2011

Spontaneous demonstrations take place in Bahrain from time to time in response to world events or local developments. United States citizens should keep current with media coverage of local events and be aware of their surroundings at all times. If you encounter a large public gathering or demonstration, depart the vicinity immediately.

- On 19 November 2011, a morning vehicular demonstration is planned around the Diplomatic area.
- On 19 and 20 November 2011, Demonstrations are expected in Sitra and possibly Juffair.

Demonstrators continue to disrupt traffic by placing debris and pouring oil on roadways. Please remain alert when driving.

We remind U.S. citizens that even demonstrations intended to be peaceful can turn confrontational and possibly escalate into violence. U.S. citizens are therefore urged to avoid the areas of demonstrations if possible, and to exercise caution if within the vicinity of any demonstrations.
