**STATEMENT OF WORK
FOR
DIESEL & MOGAS
(Updated)**

Project Synopsis

The project is described as “Supply and Delivery of Diesel for generators and Mogas at the US Consulate General, Iraq/Erbil

Contractor Requirement

- 1- Supply and delivery diesel and Mogas from/to US Consulate Compound.
- 2- Contractor is responsible to provide all necessary labor, equipment's, truck, hoses, etc.to do the work.
- 3- Supply high quality diesel (Cetane # from 38 to 55). And Mogas Octane 90+
- 4- The hose shall be connected to the pipe fittings installed on the diesel fuel tank. The hose can be dropped thru the diesel tank cover.
- 5- The Contractor is responsible to repair/replace any materials/stuff/walls, etc...that is damaged during the delivery. Contractor shall fix all damages per the DoS standards and codes. COR has approve/confirm the correction has been made by the contractor.
- 6- The contractor shall deliver diesel no more than twenty four after COR ask for delivery. All deliveries shall be completed during normal U.S. Consulate General Erbil working hours (0800 – 1700).
- 7- The contract shall be deliver diesel fuel from Sun-Sun including holidays.
- 8- The delivery truck shall be clean before entering the compound. Delivery will not occur if the truck is full of dirt “old diesel, oil, soil, etc...”
- 9- The Contractor has to provide list of names/information for the worker/truck to COR twenty four hours prior to delivery.
- 10- The Contractor is responsible to follow all safety and healthy requirements. Post Safety coordinator has to brief the contractor on Safety requirements “SHEM” before NTP.

- 11- The truck need to be inspected by the Contractor before delivery. No leaks and the filter of the pump shall be replace/clean as needed. Filter shall be inspected by the Contractor and COR before diesel pumped out to our generator/s tank/s.
- 12- The Contractor must be licensed and registered to conduct business in the Kurdistan Region, in accordance with all local laws and requirements. Contractor shall submit copy of current registration documents with proposal. The Contractor shall be an ongoing business specializing in the supply and installation of furniture, with minimum five years of regional experience. Proposal shall include documentation demonstrating conformance with this requirement. The Contractor shall have an established local or regional presence, with a permanent location containing examples of the proposed construction. Proposal shall include address, hours of operation, phone number, and email address. Proposal shall include detailed descriptions. Proposal shall be in English language. Failure to include these documents with the proposal will disqualify the Contractor from consideration for this work.
- 13- The contractor is responsible to clean up the area after each delivery using correct and approved cleaning materials. COR and safety coordinator has to approve the materials.
