**Driver Recommendation:** It is a privilege to write a recommendation for Solomon Mekuannet Kebede, the Air Forces Africa driver in Addis Ababa. Solomon performed all of his duties with precision, meticulousness, and to the highest standards. He went above and beyond his contract on numerous occasions and always ensured safety first when traveling within the city of Addis Ababa. Solomon is an exceptional employee and an indispensable asset to the Air Forces Africa mission in Ethiopia. His extensive knowledge of the city of Addis ensured smooth and swift transport of personnel and visiting VIPs. His professional demeanor and courteous attitude elicited high praise from everyone he worked with. Solomon is 100% reliable and always punctual. Solomon truly takes pride in his work, ensuring that our vehicle was always washed and maintained impeccably at all times. Solomon easily surpassed all of my expectations. Solomon is a man of character; faithful to his family, and loyal to his employer. I have absolutely no reservations in recommending Solomon for employment at the U.S. Embassy or any future driving or transportation duties. If you have any questions regarding this recommendation, please do not hesitate to contact me at [Raymond.alves@us.af.mil](mailto:Raymond.alves@us.af.mil) or by phone at +49 0152 285 14148. You can also contact [jonathan.magill@us.af.mil](mailto:jonathan.magill@us.af.mil), my point of contact at U.S. Embassy Ethiopia, Addis Ababa.

**Housekeeper and Cook Recommendation:** Eline Tameru is an excellent, hard-working, honest, reliable, and pleasant person who has provided housekeeping and cooking services to the ex-pat community for many years. Her range of cuisine is broad, including Italian, Mexican, and Thai, as well as continental. She is also wonderful with children and pets. And her English language skills in speaking, reading, and writing are excellent and make communication in person or over the phone easy and effective. I am leaving Ethiopia in early March and if Eline's services are needed in advance of March 09, I am willing to work out a job-sharing arrangement during the next two months. Eline can be reached directly at 091-105-4187. I am happy to provide additional information and I can be reached at [suzanne@suzannehoza.com](mailto:suzanne@suzannehoza.com)

**Day guard/gardener** Worku has worked with our family for the past two years and we even took him with us when we were moved to another house. He is an excellent day guard/gardener. Our yard has been spotless and he has been great with our three dogs. He was even willing one time to watch our dogs for us while we were going out of country. His English is poor to fair, but when he does not understand we get the computer and show him pictures or have the night guard explain things to him. Many times we have forgotten to get something from the store and he happily goes to the supermarket and gets whatever we need. When I have arrived home with boxes he runs quick and takes the boxes from me and takes them to the front of the house so I do not have to carry anything. Worku has been a great asset to our house. He is trustworthy, punctual, and always willing to lend a hand where needed. Please note that he prefers to work in the Bole area. We brought him to Old Airport with us and increased his pay in order to cover his transportation as it takes him over one hour to get to my house. If you would like more information feel free to call Worku Eshete at 091-005-4676, or Moises Perez at [Perez.m627@gmail.com](mailto:Perez.m627@gmail.com)

**Housekeeper Recommendation:** Askiti has worked for us for two years and was with another UN family before us. She speaks a little bit of English. She is a good nanny for our two year old and he likes her very much. I trust Askiti, and she has made my life much easier. She keeps everything clean and works hard. Askiti works well with her friend Marta who cooks. They are a good pair and were friends before I met them. She is seeking full time. Contact Askiti at +251 01 138 8262. Contact Luke Scherschel at +251 93 976 5464 or [imschers@gmail.com](mailto:imschers@gmail.com).

**Cook/Nanny Recommendation:** Marta is a great cook and fantastic help around the house. She has worked for us for two years. She cooks Ethiopian and European foods and bakes. She also does the shopping and cooks for staff. Our kids really like her and she minds the little one when he's not at day care. Marta works well with her friend Askiti who cleans house. They are a good pair and were friends before I met them. Contact Marta at +251 91 217 0423. Contact Luke Scherschel at +251 93 976 5464 or [imschers@gmail.com](mailto:imschers@gmail.com).

**Driver Recommendation:** Mekonnen is a very level-headed driver, and he is my friend. He has been a great help for our family. He takes the kids to school, the baby to day care, and me everywhere around the city. He will also drive on long trips outside the city. He has been driving in Addis for a very long time. He was with another UN family before us, and the Italian School before that. He will also help you translate. Full time Mon-Fri, half day Sat. Contact Mekonnen at +251 91 165 8509. Contact Luke Scherschel at +251 93 976 5464 or [imschers@gmail.com](mailto:imschers@gmail.com).

**Part-time or Full-time Housekeeper/Nanny/Cook:** Egigayehu Dadi - she goes by Egi - has worked for us since our arrival in October 2015. She was recommended to us by the Embassy family who lived in our 1st house in Old Airport and worked 6 years for them. We have now moved to Bole Homes/Gerji. Egi chose to continue working for us and commute. By our choice, she doesn't cook for us, but cleans our fruit/vegetables, does laundry/ironing and all cleaning. She reads English well and did cook for the previous family. Our kids are grown, but we have a large, cranky dog and Egi is great around her. Egi is currently looking for another 1/2 time employer in the Bole Homes/Gerji area, OR a full-time position in Old Airport. We all know how difficult it is to commute in Addis, so we are willing to give Egi up if she can be closer to home with a full-time position. If you need more information feel free to contact Mary Driver at [drivermf@state.gov](mailto:drivermf@state.gov) or 969-141-925.

## Wanted Classifieds

### Puppies to adopt

Two beautiful female puppies are available for adoption, 6 weeks of age, really cute and sweet. Both are sociable and extroverted, adapting easily to new situations. They are very playful and get along very well with humans. They would be perfect for a family with kids. Unfortunately, the actual family can't take care of them any longer and, if the forever home is not available yet, they urgently need a foster family. Please help us and SHARE! Please send a message to 093-804-7348 or an email to [andreagua@inwind.it](mailto:andreagua@inwind.it)

### Mother/Puppy to Adopt:

The Mom is named "Titi" and belonged to a family here in Addis until she became pregnant and they threw her out on the street. She was so loyal she refused to leave the outside of her house even though her family threw rocks and sticks at her. She only has one puppy left who we have been calling "puppy". Both have 5 weeks to find families before they are euthanized. The dogs are being vaccinated and dewormed now. Anyone interested can contact Carolyn and Christian at [poulsen.cm@gmail.com](mailto:poulsen.cm@gmail.com) or 0963-283-122.

### WANTED. A new loving home for our dog.

Azko was adopted when we first arrived to Addis. He is a very playful one year old mixed German Shepherd/Doberman. Our one year old loves him. He lets her pull on his tail and tumble on top of her. He is great with kids and loves to run around in the yard. However, we will be gone most of December and again from January until end of June. It would not be fair to Azko, as he needs attention and love. If you are interested in giving him a new home, please contact Paula at [pforeman204@gmail.com](mailto:pforeman204@gmail.com).

### Aikido Partner Wanted
