

FULBRIGHT PROGRAM APPLICATION FOR STUDY IN THE UNITED STATES

****READ ALL INSTRUCTIONS AND INFORMATION CAREFULLY BEFORE COMPLETING APPLICATION****

INSTRUCTIONS

Upon receipt of your application from the Fulbright Program Office in your country of citizenship, The Institute of International Education (IIE) will make every effort to secure admission for you at a suitable educational institution and, if applicable, to arrange any necessary scholarship assistance. **YOU SHOULD NOT MAIL THIS FORM DIRECTLY TO ANY UNIVERSITY IN THE UNITED STATES.**

1. All forms in this application are to be completed in English and typewritten in black ink or printed from a computer.
2. Each page of the following application carries its own instructions that should be read carefully before proceeding.
3. Question must be answered completely and carefully. Please limit your responses to the space provided.
4. Completed applications should be returned to Fulbright Program Office in your country of citizenship as soon as possible. Before you begin this application, you should make sure that you are aware of all deadline dates and requirements as these may vary from country to country.
5. Incomplete applications will not be considered.
6. Do not mention the names of any U.S. universities you wish to attend in this application. The University Preferences Sheet is included for that purpose.

APPLICATION

A complete application consists of the following components:

I. COVER SHEET

II. APPLICATION

In the first six pages you will state biographical information, study objectives, curriculum vitae, and other information.

Often specific instructions for completing a question or item will be provided in the application. Please read all instructions carefully. In addition, please review the following important information.

Item 1—Name: It is very important that you list your name exactly as it appears (or will appear) on your passport.

Item 14—Institutions Attended: Please list all post-secondary institutions attended in reverse order (putting the most recently attended first). List all post-secondary institutions attended even those from which you did not achieve a degree. Check with your Fulbright Program Office to determine if you are to list secondary (high school) institutions as well.

Item 28—Study/Research Objective: The study/research objective description that you provide is an essential and highly important part of your application. You should take great care to write a clear and very detailed description of the program you want to pursue. Clearly identify the area(s) within your field of study in which you want to specialize or concentrate. If there is specific research that you want to accomplish, please describe.

Item 29—Personal Statement: The personal statement is a narrative statement in which you can include information about your education, practical experience, special interests, career plans, and your purpose in applying for study in the U.S.

Item 30—Resume/Curriculum Vitae: Although this page is not required, most applicants attach a professional resume (useful if you intend to pursue a professional degree, e.g. business or law) or curriculum vitae (useful if you intend to pursue a theoretical, academic degree).

Page 7—Personal Information: The information provided on this form will be used by the Fulbright Program Office and IIE for internal purposes only.

Item 32 — National Identification #: This item is not required. However, if your country or state assigns a national identification number, please enter it here.

Page 8—Personal Financial Information: Since the Fulbright grant that may be awarded to you might only cover a portion of your expenses, you may need to provide funds from your own or other sources. Therefore, please complete this form—when it is required—as completely and accurately as possible based on information that you have at the time of application. If you should have a major change in your financial resources while your grant is pending, you should immediately inform the Fulbright Program Office in your home country.

Page 9—University Preference: Please note carefully, it is **not** an expectation that you will have U.S. university preferences. However, if you do, please be specific. Do not just list the name of a university. Provide the name of the department and the specific program within that department in which you are interested. If you have been in contact or correspondence with a faculty member, please provide the name and contact information for that individual.

You can also use this form to provide other information that is important to you, e.g. climate, large vs. small institution, urban vs. rural location, etc. If you have applied to a U.S. university within the past three years, please list the programs and the results. If you have letters of admission, letters of invitation, or other correspondence from a school, especially a preferred program, please forward a copy (not the original) of this correspondence to the Fulbright Program Office in your country of citizenship.

III. SUPPLEMENTAL FORMS

- 1. Letter of Reference/Recommendation:** You must have three letters of reference (or recommendation) submitted on your behalf. Letters of reference are extremely important. All letters of reference should be written by teachers under whom you have studied or pursued research or by someone who has supervised you in work related to your proposed field of study. Letters of reference should not be written by persons related to you either by blood or marriage or by personal friends. At least one academic and one professional or work related letter should be included among the letters. The letters should be written in English if possible. If they are not, an original English translation must be provided.
- 2. Report on Proficiency in English:** Complete only the top section of this form and have the remaining portion completed by one of the types of certified English language evaluators listed on the form. Your language evaluator should return this form directly to your Fulbright Program Office.
- 3. Information Concerning Foreign Student Academic Records:** In order to assist U.S. academic institutions in evaluating more accurately your academic credentials, this form allows you to provide information about the educational and grading system in the country where you did postsecondary study. A separate form should be completed for each college or university attended.
- 4. Transcript Release Form (for post-secondary U.S. transcripts only):** This form is needed for those students who attended a post-secondary program (undergraduate or graduate) in the U.S. Frequently the fees for acquiring multiple copies of U.S. postsecondary transcripts will be covered by the Fulbright Program. Check with your Fulbright Program Office.

IV. SUPPORTING DOCUMENTATION

1. Transcripts

Applicants must attach official, complete and certified academic documents covering the entire period of study at universities and other post-secondary institutions. Documents must be accompanied by complete official English translations. These documents must consist of:

- One certified, official record (transcript) from each university or post-secondary institution you attended, even those schools from which you did not receive a degree or diploma. These transcripts should list the subjects you studied and the grades you received during each year of your enrollment. Include all post-secondary institutions you have attended, even those from which you did not receive a degree or diploma. Official transcripts must be submitted in sealed envelopes.
- Certified, official evidence of each post-secondary or university degree, diploma or certificate awarded to you should be included as part of the completed application.
- Five copies of original transcripts for any coursework (graduate or undergraduate) done in the United States. Please contact your Commission, U.S. Embassy or Committee to receive a copy of the *Transcript Release Form*. IIE will request transcripts for you from U.S. institutions you have previously attended.

NOTE: Individual Fulbright Commissions, U.S. Embassies, or Selection Committees may require that you complete additional forms as part of your Fulbright application. Check with the Fulbright Program Office in your country of citizenship.

2. Standardized Tests

Check with your Fulbright Program Office to find out which standardized tests are required for completion of this application. You will be required to take one or more of the following standardized tests to gain admission to a U.S. university. For instructions on registration, contact the Fulbright Program Office or the website for the test.

Tests of English Language Proficiency

- a. TOEFL (Test of English as a Foreign Language):** TOEFL is an admissions requirement at U.S. institutions for applicants whose native language is not English. All non-native English-speaking candidates should immediately register for TOEFL.
- b. TWE (Test of Written English):** The TWE is designed to measure an individual's ability to communicate in writing in English. It consists of essay questions similar to those which students are expected to produce as part of their classroom work at colleges and universities in the United States. The TWE is only administered at paper and pencil TOEFL test locations. The TWE is included as part of computer-based and internet-based TOEFL exams.
- c. TSE (Test of Spoken English):** The TSE is designed to measure an individual's ability to communicate verbally in English. Graduate candidates who are recommended for teaching assistantships should register for this test. The TSE is included as part of the internet-based TOEFL exam.
- d. IELTS (International English Language Testing System):** A growing number of U.S. institutions will accept the IELTS in lieu of TOEFL scores.
- e. MELAB (Michigan English Language Assessment Battery):** The MELAB may be accepted as a preliminary English proficiency evaluation for nonnative speakers of English who have not yet been able to sit for the TOEFL exam.
- f. GRE (Graduate Records Examination):** The GRE is required by U.S. graduate schools and/or departments for candidates in most fields other than Business Administration and Law. You should make every effort to register for the earliest possible administration of the GRE.
- g. GRE SUBJECT TESTS** are required in certain fields. If a GRE Subject Test is offered in your field of study, you should make every effort to register for the earliest possible administration of this exam.
- h. GMAT (Graduate Management Admissions Test):** GMAT is an admissions requirement for applicants proposing to study Business or Management, as well as any fields which may fall within the scope of offerings of a Business school or department. Arrangements should be made immediately to take the GMAT

IMPORTANT

Note carefully, you **MUST** indicate that you want your score reports sent to the Institute of International Education (IIE). You must indicate the IIE code on the registration forms and/or the forms provided at the time you take the exam.

For all **TOEFL** and **GRE** exams, please indicate **CODE: 2326**.

For the **GMAT**, please indicate **CODE: F0F-4J-28**.

For the **IELTS**, select the **Institute of International Education** from the 'Professional Bodies' listing.

Note: TOEFL and IELTS scores are valid for two years. GRE and GMAT scores are valid for five years.
