

As of September 30, 2014, all U.S. passport applications, reports of birth abroad applications and notarial services must be scheduled at either the [U.S. Embassy in Paris](#) or the U.S. Consulate General in Marseille. Limited services presently available at the [American Presence Post in Lyon](#) will cease September 30, 2014. Please refer to the links provided below for detailed information.

The U.S. Mission to France will schedule periodic visits by consular officers to provide routine services to American citizens in Lyon. These visits will be publicized to citizens actively listed in our [Smart Travelers Enrollment Program \(STEP\)](#), so please ensure that you are signed up in order to receive notices about such services as well as other messages from the U.S. Government.

American Citizen Services information provided on the Lyon website is linked to the U.S. Embassy in Paris, but you may also select to go to another region in France.

Go to information on:

- [American Citizen Services in Paris](#)
- [American Citizen Services in Marseille](#)

Until September 30, APP Lyon can provide limited passport and citizenship services for American citizens and birth registrations for U.S. citizen children born abroad. Notarial and authentication services are available for U.S. and non-American citizens for documents to be used in the United States, and for U.S. citizens for administrative purposes in France such as marriage.
