Tel: 04 93 88 89 55- Fax: 04 93 87 07 38
email: usanice@state.gov

U.S. Passport Photograph Requirements and List of Photographers

Photographs for U.S. passports are not the same size or quality as photographs for French passports. To avoid processing delays, please ensure that your photograph meets the following U.S. Department of State specifications:

- One (1) unsigned, color photograph, taken within the past six months.
- Photograph **background** must be **white** or off-white.
- Square image, exactly 2 x 2 inches (5 x 5 centimeters).
- The customer's head, measured from the bottom of the chin to the top of the hair, should be between 1 inch and 1-3/8 inches (2.5 centimeters to 3.5 centimeters). The head should be centered in the photo. The head of the person being photographed should not be tilted up, down or to the side. It should cover about 50% of the area of the photo.

- The photo should show a clear, front view of the customer.
- The customer should be in normal street attire, without a hat.
- Glasses, but not sunglasses, may be worn.
- Uniforms may only be worn if part of religious attire that is worn daily.
- Only original photographs are acceptable. *Digital photographs* must conform to the standards listed here: <http://www.travel.state.gov/content/passports/english/passports/photos/photos.html>. *Self-service photo machine* photographs are not of high enough quality, and will not be accepted.
- You may contact the U.S. Consulate General Marseille's passport office at 01.43.12.47.54 or consult their website: <http://marseille.usconsulate.gov>.

The photographers on the following page have advised the Consular Agency that they are able to provide U.S. passport photographs. The Consular Agency assumes no responsibility for the standard or quality of the photographs taken by them. We advise you to call the photographer before going. Specify that you want photographs for an American passport, since photographers make various-sized photographs. Prices and delivery time should be verified with the photographer before contracting work.
