The inclusion of a specific physician or medical facility does not constitute a recommendation and the Department of State assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the medical professionals, medical facilities, or air ambulance services whose names appear on such lists. If errors have occurred in this list, they will be corrected in the next edition. Each person listed should bring any errors to the Consulate General's attention, as well as any changes in names, addresses, telephone numbers and basic information.
