

Online Appointment System for Passport Services Requiring a Personal Appearance at the U.S. Consulate General in Marseille

Please Read Instructions Carefully Before Continuing

Since all consular services appointment times appear on the same calendar, you must be careful to select the appropriate date and time.

You do NOT need to print the appointment [confirmation](#) page; we do not require this document for entrance to the consular section in Marseille. However, you must note down the appointment ID and password in case you need to change your appointment date.

[Schedule a passport appointment here](#)

The online appointment service described on these pages is to be used for appointments at the Consulate General in Marseille.
