Message for U.S. Citizens: Announcement on American Presence Posts in France

Effective January 1, 2014, American Presence Posts (APPs) in Rennes, Bordeaux and Toulouse will no longer accept applications for U.S. passports and birth registrations, Social Security numbers or other federal benefits, or provide notarial services. After January 1, 2014 passport and birth registration applications and notarial services for U.S. citizens in those consular districts can be scheduled at either the [U.S. Embassy in Paris](#) or at the [U.S. Consulate General in Marseille](#). Please contact the [Federal Benefits Unit](#) at the U.S. Embassy in Paris for information on applications for Social Security numbers and other federal benefits.

The U.S. Mission to France will schedule periodic visits by consular officers to provide routine services to American citizens in the districts of APP Rennes, Bordeaux and Toulouse. We will publicize these visits to citizens actively listed in our [Smart Travelers Enrollment Program \(STEP\)](#), so please ensure that you are signed up in order to receive notices about such services as well as other messages from the U.S. Government. U.S. citizens can enroll online at <https://travelregistration.state.gov>.
