A handwritten signature in black ink, appearing to be the initials 'MA'.

The U.S. Embassy in Libreville has a requirement for the provision of four residential generators. The estimated prime rating is between 40-45 KVA. Please note these are estimated numbers subject to change at the discretion of the U.S. Government.

If a firm is interested in competing for this requirement, please contact the General Services Office for detailed information. The preferable means of contact for this solicitation is via electronic mail to the General Services Officer, Michael Agner: AgnerMK@state.gov.
