

United States Department of State
General Services
Libreville, Gabon

The US Embassy has a requirement for a firm to remove security features behind the old chancery building in Centreville and to reopen the street for public use. This construction effort is estimated at between \$25,000 and \$100,000 and needs to be completed within the next several months, in the city of Libreville, Gabon. This work involves removing thirteen concrete blocks, a guard house, and a barrier arm as well as the repaving or asphaltting of the street to allow for public traffic.

All firms that respond to the solicitation must be technically qualified and financially responsible to perform the work. At a minimum, each offeror must meet the following requirements when submitting their proposal:

- Be able to understand written and spoken English;
- Have an established business with a permanent address and telephone listing;
- Have the necessary personnel, equipment and financial resources available to perform the work;
- Have all licenses and permits required by local law;
- Meet all local insurance requirements;
- Have the ability to obtain a performance and guarantee bond and a payment bond, or to post adequate performance security, such as irrevocable letters of credit or guarantees issued by a reputable financial institution;
- Have no adverse criminal record;
- Have no political or business affiliation which could be considered contrary to the interests of the United States;
- Have good experience and past performance records; and,
- Identify specialized experience and technical competence required to construction the work in accordance with this solicitation.

If a firm is interested in competing for this requirement, please provide a written request for a copy of the solicitation documents by Wednesday, August 1, 2012 to:
