

## **JOB VACANCY ANNOUNCEMENT U.S. MISSION - ACCRA**

The U.S. Mission in Accra, Ghana is seeking a highly motivated and qualified individual for the position of **Regional Environment Compliance Advisor (ECA)** in the Regional Environment Office, of USAID/West Africa. The Regional ECA reports to Regional Environmental Advisor (REA) and is held to very high professional standards with the principal responsibility of ensuring effective environmental compliance for USAID projects throughout West Africa. The incumbent will serve as an expert on environmental compliance and will be responsible for creating effective working relationships with USAID Mission Environmental Officers in all of the region's Missions and Country Offices.

**Education & Prior Work Experience:** A Master's degree with specialized course work in environmental engineering, policy, natural resource management, water management, waste management, forestry, conservation, or other fields applicable to environmental compliance is required. A minimum of seven years' experience working with the USG and/or the environment sector in West Africa, environmental governance, and other environmental issues is required. Ability to read and write English and French is required.
