THANOS AXARLIAN (1972-1992)

Sunday, July 14, 2013

Πέρασαν 21 χρόνια από τότε που χάσαμε τον Θάνο.

Το κενό που άφησε ο θάνατός του
το γέμισε με νόημα η θυσία του.

Είναι χρέος μας να το θυμόμαστε.

21 years have passed since Thanos' loss.

The meaning of his sacrifice helped fill the void left by his death.

We have a duty to always remember.
