**INFORMATION FOR FUNERAL HOMES**

**Dealing with the death of a family member or loved one can be a very stressful experience and this is often compounded when the death occurs overseas. We hope that the following information on what to expect from the process here in Greece is helpful to you if you are faced with such a situation.**

The American Embassy in Athens prepares the consular "Report of Death of an American Citizen Abroad" for all U.S. citizens who die in Greece. This document is for use in the U.S. and it is based on the Greek Death certificate, the deceased's U.S. passport and information given to us by the relatives. For that purpose the deceased's relatives should contact the American Citizen Services section of the American Embassy in Athens, Monday through Friday from 8:30 – 17.00, tel. 210-720-2419, 210-720-2415, fax 210-724-5313.

The list of funeral homes which follows is provided for your assistance and does not constitute an endorsement by the Embassy. The fee and method of payment must be negotiated by you directly with the funeral home of your choice. The Embassy can assist with the transfer of funds from the U.S. or elsewhere, or you can have them sent directly to the funeral home of your choice through Western Union.

Should you wish the remains to be shipped to the U.S. please ascertain whether the funeral home you select is able to arrange this with the U.S.-based funeral home you have chosen.

Our experience has shown the average cost of preparation for shipment to be from 2,700 Euros/\$3,525 to 10,000 Euros/\$13,055 (rate 0.766 euro to one dollar of January 4, 2012) plus shipping costs. Please have in mind that costs vary depending on currency fluctuations, weight of shipment, destination, etc.

Although cremation is now permitted in Greece, no cremation facilities have yet been constructed. For the time being, cremations must be conducted elsewhere in Europe.
