Press Release

IMPORTANT ANNOUNCEMENT FROM THE U.S. CONSULAR SECTION

The Department of State is currently experiencing worldwide technical problems with our overseas passport and visa systems. This issue is not specific to any particular country, citizenship document, or visa category.

We are working urgently to correct the problems and restore our system to full operational status as soon as possible. We apologize to applicants who are experiencing delays.

We are seeking to assist non-immigrant visa applicants with urgent humanitarian travel. Travelers with an urgent humanitarian need for travel should contact their nearest U.S. embassy or consulate. We will post updates to Travel.State.Gov as more information becomes available.
