## **Boletín de Prensa**

### **Embassy Statement**

We note the resignation of Guatemalan President Otto Perez Molina.

We will work with newly sworn-in President Alejandro Maldonado Aguirre on his reform agenda, as we continue the fight against corruption and impunity in Guatemala.

We commend the people of Guatemala and their institutions, for the peaceful manner in which they have dealt with this crisis.

We underscore our support for Guatemala's democratic process, including general elections scheduled for September 6.
