

Awning – Site Visit – Questions

1. Are you sending the information over email?

Yes, we sent an email with all the information to all the companies on Thursday September 6, 2012. However, all information is available on the website.

2. The price on the final offer, should include IVA?

The price should include everything.

3. Do you have guards on the Consulate?

We have guards, but they are for the Consulate, they will not be responsible for the materials of the contractors. Nevertheless, the contractor can build a small room for a guard of their own, as long as they leave everything like they received it, once the installation of the Valarium is done.

4. Does this work include structure and cementation?

Yes, it should include everything.

5. Does the mast have a specific form? Round? Squared?

Doesn't matter, it just has to be strong enough and safe. Also, it should be covered in wood.

6. Working schedule

It is a Monday to Friday, from 8 am to 5 pm schedule. In case the contractor needs to work on weekends, they should inform the security team, some days in advance.

7. What color does the PVC laminated Valarium?

The color should be beige or similar, not white.

8. Does the floor have to be changed?

No, only the foundations have to be installed, and whatever part of the floor is damaged or open, it should be left, the exact same way the contractor found it.

9. What color and quality of paint should we use in the upper part of the Valarium?

The color should be an opaque (mate) color, not white. And the type of paint is epoxy paint.

10. How is the payment?

The government is not allowed to pay in advance. Once the work is done, and the bill has been received, we should take around 3 weeks to have the money in the bank account of the contractor, since the money comes from the United States.
