Secretary Clinton Released the Annual Human Rights Report

Secretary of State Hillary Rodham Clinton and Assistant Secretary for Democracy, Human Rights and Labor Michael Posner released the Country Reports on Human Rights Practices for 2010 on Friday, April 8 in the Press Briefing Room of the U.S. Department of State.

The Country Reports on Human Rights Practices, commonly known as the Human Rights Report, covers the legal status of human rights in more than 190 countries and territories around the world. The [Human Rights](#) reports are now available online.

Additional information is available on the official [U.S. Department of State blog](#) and [videos](#) of the Secretary's remarks as well as a historical video of the 1948 remarks from then-First Lady Eleanor Roosevelt at the United Nations.
