

TO BE PUBLISHED IN TWO LOCAL NEWSPAPERS:

JOB OFFER

International Organization invites application for the position of

PROGRAM SPECIALIST (CHILD PROTECTION)

The incumbent serves as the Senior Advisor on Child Protection issues, policies, program management and coordination.

Qualifications Required

- Education: Bachelor's degree in a development or management-related field such as public policy, social work, social sciences or education is required. A Master's degree or higher is preferred.
- Experience: Five (5) years of progressively responsible, professional-level experience in development-related work is required. Experience in donor project design, program operations, and performance monitoring, including experience in the analysis and interpretation of data. At least four (4) years of this experience should be in development assistance.
- Language: Fluent (Level IV) written and spoken English and French, and preferably Creole, are required.
- Knowledge: Expert-level knowledge and analytical skills to perform USAID development program work across the entire range of USAID program activities in Haiti. Expert-level knowledge of social issues affecting progress towards sustainable development is also required.
- Abilities and Skills: Ability to work effectively, both independently and as a member of a team. Ability to communicate complex requirements clearly and accurately to staff and senior management.

This position is compensated in Local Currency.

Only qualified candidates will be contacted
