## INVITATION TO TENDER

### Design Ideas Fee Tender for the Design and Build of Waste Water Treatment Plant Orange Hole Road, St. David

Fee Tenders are invited from Design/Engineering Professionals for the above captioned project.

Professionals are asked to submit their design idea and fee to complete the design and build of the fairly new build General Electric, Z-Mod\*- M8 Waste Water Treatment Plant (WWTP-731) at Orange Hole Road, St. David's.

Designer/Engineer to propose: (i) required capacity for treatment at Southside for the next 15 years, (ii) re-sizing of Plant equipment etc. including buffering capacity, (iii) measures to address saline ingress, (iv) installation, commissioning and maintenance to meet BLDC's business objectives, and (v) decommissioning of existing WWTP-712.

Full details and tender documents will be made available via registration at the Bermuda Land Development Company Limited's reception desk at Triton House, 1 Longfield Road, St. George's Parish, during regular business hours beginning 31<sup>st</sup> January 2013 to 14<sup>th</sup> February 2013.

Designers/Engineer submitting a tender for this work will be required to provide a Practice Profile to demonstrate their technical and financial capability to complete the works in accordance with the contract documents. Tenders submitted by Designers/Engineer who cannot demonstrate this expertise will be automatically disqualified.

The Practice Profile must be returned by hand delivery to BLDC's reception **no later than 3:00 p.m., 7<sup>th</sup> March**. The completed Design Ideas Fee Tender must be hand delivered to BLDC's reception **no later than 3:00 p.m., 21<sup>st</sup> March**. *Late submissions will not be considered.*
