

Announcement

OPEN TO: ALL INTERNET SERVICE PROVIDERS.
OPENING DATE: June 19, 2015
CLOSING DATE: June 29, 2015

The U.S. Consulate General in Hermosillo requires a reliable Dedicated Internet Service provider for its network operations at the Mazatlán Consular Agency, with the following requirements:

Internet Service Provider (ISP) should be able to provide a dedicated Internet service at 2 mbps thru fiber optics, with the following specifications

- At least 4 Public Internet routable addresses.
- Masking block from subnet of /24 thru /29
- Service should not be filtered or blocked for any IPSEC ports or protocols.
- Service must allow all IP protocols, should not include filters or proxies and provide unfiltered access to Internet with no firewall.
- Complete information about IP, subnet and gateway addresses should be provided.
- ISP equipment must provide RJ45 interface with routing devices.
- "Always on" availability is required.
- 365 x 24 x 7 Technical support must be included.
- NAT (network address translation) should NOT be used.
- Service must allow the installation of encrypting devices.
- Router and any other telecom devices that may be required to deliver the service must be provided by ISP. Lease cost if applicable, should be included in the contract.
- Circuit infrastructure should be dedicated. No other service should be provided thru this fiber optics run and telecom devices.
- ISP must provide a wall mountable rack and UPS unit for equipment installed.
- ISP must include all required costs of running fiber optics all the way to the service rack.
- Complete test reports should be submitted before delivering the service.
- Internet service should be fully operational no later than September 20, 2015.

Site visit is scheduled on June 24 2014 at 11:00 A.M., for all interested bidders to inspect the site, take all necessary measurements, and observe the existing conditions in order to prepare an accurate bid.

Contract will be one (1) YEAR.

Quote's presentation date will be July 1st, 2015 at 11:00 a.m.

For more details, review complete attached scope of work document.
