

Visas V

The new Immigration Act (LIFE Act) establishes a new category of temporary visa ("V" visa) (a) spouse and children under 21 years of a legal resident of the United States

To qualify for this visa category, it must meet the following requirements:

- A. There must be a petition (I-130) submitted to a Immigration Office no later than December 21, 2000. You should also check that has waited at least three years since it was filled that request.
- B. If the request was approved, it is due to receive the residence visa or adjustment of migration

The consulate in Hermosillo does not process these visas. You can apply at the consulate in Ciudad Juarez.
