

**RFQ No. SHO80016Q0025**  
**Bottles of Drinking Water**  
**Questions and Answers**

1. Do you own the five gallon bottles, or do we have to supply them?

**No, please supply.**

2. What would be the minimum number of bottles delivered on a weekly basis, deliveries per month to each location?

**Weekly**

**\*We cannot provide a minimum number per week, the amount varies according to the need.**

**Monthly**

**-Lepaterique: 1,250 bottles**

**-Tegucigalpa: 300 bottles**

3. Do you have an ample storage space to place the bottles in Lepaterique?

**Yes.**

4. Would you be willing to sign a commitment for the bottles loaned, in case they get lost?

**Yes.**

5. If available, please provide historical data, for the last year, showing the number of bottles delivered to each location.

**No historical data is available.**

6. Is there a requirement for a specific water brand?

**No.**

7. Are offerors required to be fully registered in SAM prior to submitting an offer, or, is it acceptable to submit an offer as long as the registration is in process?

**No, you can submit and offer as long as the registration process is taking place. Nevertheless, it is a requirement before the award is made.**

8. Will there be just one delivery point or more for both locations?

**One delivery point for each location.**
