

S-IN650-13-Q-0035

Question and answers of the queries received from various vendors.

Question 1, Should vendor quote in USD or INR?

Answer You can quote in either currency. If quote in USD then please make sure you have bank account to accept payment in USD.

Question 2. Furnishing of TAX ID.

Answer Please note US government regulations does permit to place order with Individual. All submitted quotes must be submitted along with the bid. If the company is regesterd with host government then vendor shall must provide TIN number. If the company is registered with US government then company must have DUNS which should be also registered in SAM.GOV.
