3.0 Contractor Requirements for Providing Official Travel Services

3.1. Taxes - When reservations are made for official business, the Contractor shall ensure that rate does not include taxes for which diplomatic personnel are exempt.

3.2 Transportation

3.2.1 The Contractor shall comply with mandatory Government programs for air travel. Except for the constraints of the "City Pairs" contract program noted below, and the Fly America Act, the Contractor shall book the lowest available fare that satisfies the agency's mission requirements. If reservations made by the Contractor are not at the lowest available rate allowed by policy, the Contractor shall refund the agency the difference.

3.2.2. City Pairs Program

3.2.2.1. GSA has awarded contracts to certain airlines for reduced air fares between numerous city/airport pairs. The contract air service (e.g., 'YCA', '_CA') is mandatory for official Government travel (which includes all travel funded by the Government), unless the Government approves the use of non-contract fares under the exceptions specified in the FTR. In cases of separate contract awards between specific airports in cities, the traveler may use the airport that best meets their needs without further justification. These contract fares may be obtained only with a GTR, a Government Travel Charge Card or a CBA.

3.2.2.2. Promotional or other types of discount fares can be used on contract city/airport pair routes if they are offered by the contract carrier and are lower in cost than contract fares.

Contract fares shall not be used for any personal travel, including those instances where portions of personal travel are substituted for a leg of an officially authorized trip.

3.2.2.3. There are a limited number of non-contract fares (YDG or similar), restricted to official Government travelers, which are obtainable only with a GTR, Government Travel Charge Card, or CBA. Such fares can only be used when contract fares are not available or when offered by the contract carrier in that city/airport pair route at a lower cost than the contract fare.

3.2.2.4. When non-contract carriers offer restricted or unrestricted coach fares to the general public which are lower than the Government contract fares, the Contractor may only use such lower fares on the application of exceptions contained in the current GSA Airline City-Pair Program. GSA contracts annually for air passenger transportation services between designated city/airport pairs. Since the contract is awarded annually the contractor must check the most current contract found on the Internet at <http://www.gsa.gov>, then click on "Travel on Government Business".

3.2.2.5. It should be noted, however, that any restricted fare which provides for a monetary penalty for itinerary changes or flight cancellations shall not be used without the written consent of the using agency.

3.2.2.6. Full coach fares may be used if no reduced fares are available.

3.2.3 The Fly America Act generally precludes use of non-US flag carriers, except as provided in the FTR and the Foreign Affairs Manual, Volume 6.

3.2.4. The Contractor shall provide the Government with the reservation and ticketing services which industry practice normally accords corporate or private travelers, to include new and improved reservation and ticketing technologies. These shall include a 24-hour, toll-free number available to travelers to perform emergency itinerary changes and emergency services outside regular business hours. The Contractor shall be responsible for ensuring that any subcontractor providing such emergency service complies with all conditions of the contract.

3.2.5. The Contractor may only issue premium class tickets for which the Government will have to pay an additional amount when the accompanying travel orders provide authority for that travel. This does not apply to situations in which frequent flyer benefits will be used to obtain the premium class tickets.

3.2.6. Back-to-back faring, or hidden city ticketing are prohibited under this contract.

3.2.7. The Contractor shall provide the traveler with last seat availability, advance seat assignment, and advance boarding passes on all airlines for which the Contractor can offer these services.

3.2.8. The Contractor shall make adjustments for any change(s) in flight, train, bus or steamship schedules. Tickets and billings shall be modified or reissued to reflect these changes.

3.2.9. The Contractor shall make a timely effort to notify travelers of airport closings, canceled or delayed flights, trains, buses or voyages.

3.3. Lodging

3.3.1. The Contractor shall provide lodging reservation services. These services shall include initiating and confirming reservations and confirming the rate at which the reservation is made.

3.3.2. Where the Government has agreements with hotels/motels for discount Government rates, the Contractor shall endeavor to obtain such rates for Government travelers. (Frequently these rates are capacity-controlled.) If necessary to obtain Government rates, the Contractor shall call such hotels directly, rather than by toll-free numbers. The Contractor shall also make available to the Government any lower-priced, guaranteed corporate or other discount rates it has negotiated at these or other hotels.

3.3.3. Final selection of accommodations rests with the traveler. If reservations made by the Contractor are not made at the lowest available Government rate, the Contractor shall refund the Government the difference. Since final selection of accommodations rests with the traveler, the reservations made by the Contractor shall be made at the lowest available rate that complies with the traveler's request, or the Contractor shall refund the Government the difference. Lodging reservations for Federal Government employees on official business shall comply with the Hotel and Motel Fire Safety Act of 1990 (see Definitions). Selected lodging shall comply with the Hotel and Motel Fire Safety Act of 1990, if available, unless an exception is granted by the COR. As stated in the definition in paragraph 2.0, the Hotel and Motel Fire Safety Act of 1990 only applies to the United States and its territories.

3.4. Rental Vehicles

3.4.1 The Contractor shall reserve commercial vehicles for Federal travelers, if requested. The Military Traffic Management Command, Department of Defense, has negotiated Government discount rates on an unlimited mileage, flat daily or weekly basis with major rental automobile companies. Participating locations of these companies have agreed to make these rates available to civilian as well as military employees. These companies and their established discount rates are the first source for Federal travelers, as required by the FTR. Considering daily or extended rates, the Contractor shall reserve vehicles from these sources or, if no vehicles are available at Government rates, from other firms at the lowest total cost available to the traveler, which includes full loss/collision damage waiver (LDW/CDW), to the traveler.

3.4.2. Under the FTR, it is incumbent upon the traveler to be prudent in selecting the method of ground transportation that best meets the traveler's needs. Therefore, since the final selection of

car rental companies and car sizes rests with the traveler, the reservations made by the Contractor must be made at the lowest available rate which conforms to the traveler's request, or the Contractor must refund the agency the difference. If reservations made by the Contractor are not the lowest available Government rate, the Contractor shall refund the agency the difference.

3.5. Related Services

3.5.1. Health Requirements. The Contractor shall provide travelers with advice on necessary health requirements, including types of inoculations and vaccinations whether required or suggested for foreign travel.

3.5.2. Local Conditions. The Contractor shall provide information and advice on conditions at the various foreign destinations, including climatic conditions, type of clothing which are appropriate or essential, national and religious holidays, location of American embassies and consulates, etc.

3.5.3. Foreign Currency Information. The Contractor shall provide technical advice on such matters as foreign currency exchange rate and transactions, securing auto insurance in conjunction with foreign automobile rentals, excess baggage requirements and fees.

3.5.4. Visas and Passports services. The Contractor shall assist travelers in obtaining visas and/or Indonesian passports for foreign travel. The Contractor is required to provide to the Government, daily visa deliveries/pickups not to exceed five separate delivery/pick-up points per day. This includes pickup and delivery of passports and visas between the Embassy, Consulates and other foreign embassies or processing points located within the servicing city or area, on a daily or as needed basis. The Embassy, not the Contractor, will handle all diplomatic visas and passports.

Documentation standards shall be established by each agency but, as a minimum, the Contractor shall identify each refund or credit by original ticket and invoice number (if applicable).

16.2.1. For CBA Purchases: The Contractor shall treat refunds on purchases by CBA in the same manner as refunds for similar charge or credit card purchases. Refunds for unused, downgraded

or exchanged tickets shall be made by the Contractor immediately in the form of a credit refund receipt returned to the agency, with the credit applied to the agency's CBA. No cash refunds shall be made for CBA purchases.

16.2.2. For GTR Purchases: The Contractor shall remit refunds to the agency within ten working days after receipt of application for refund. There is nothing expressed or implied in this provision to preclude the Contractor from making refunds on account.

16.3 Employees who have been issued Government Travel Charge Cards shall apply directly to the Contractor, through the delivery control point, for refunds for unused transportation. The Contractor shall treat such refund requests in the same manner as refunds for similar charge or travel card purchases. Refunds shall be given immediately, in the form of a credit refund receipt returned to the employee, with the credit applied to the individual employee's travel card account.

17.0 Transaction Fee Procedures

17.1 Official and Personal Travel.

These procedures apply only to official Government travel, not personal travel. Any transaction fee charged to an individual on personal travel shall be between the traveler and the Contractor. However, the Contractor shall post in a plainly visible location, the transaction fee to be charged to a traveler on personal travel. If the traveler is combining official travel and personal travel on a cost construct basis, only one transaction fee may be charged for the itinerary and the USG will pay the transaction fee for the initial issuance of the tickets and any changes due to official reasons required to the itinerary. Transaction fee for any changes due to personal reasons will be the traveler's responsibility.

17.2. Charging of Transaction Fees. Block 20, paragraph 2.0 includes definitions for "Transaction" and "Transaction Fee". The pricing portion of this contract sets forth more than one transaction fee amount and the applicable fee is based upon which category in the pricing table describes the transaction. For example, if the service is performed on-site, then the transaction fee charged for the transaction shall be the "on-site services domestic/international transaction fee". The following paragraphs describe what constitutes a transaction for purposes of charging a transaction fee.

17.2.1. When requested by the Government, the Contractor is required to arrange for transportation of one or more individuals. The Contractor may charge only one transaction fee per itinerary regardless of the number of passengers traveling or tickets issued under the same itinerary. The itinerary could have multiple tickets from individual passenger and/or multiple passengers, but only one transaction fee per is charged (fee is not based on the number of tickets needed to complete the itinerary). Until such time as the Government requests the Contractor to

issue and the Contractor actually issues a ticket or tickets for transportation, no transaction fee shall be charged for any services associated with that transportation, including but not limited to:

- the original transportation reservations;
- changes to the original transportation reservations;
- lodging reservations;
- car rental reservations; and
- any related services described in Continuation of Block 20, paragraph 3.5 or elsewhere in this contract

17.2.2. Upon issuance of the transportation ticket, the Contractor shall charge the Government the applicable transaction fee for one transaction, that transaction being the ticket(s) issuance. The Contractor shall not charge additional transaction fees for multiple tickets under the same itinerary or for any other services noted above or elsewhere in this contract. The Contractor may charge a transaction fee for different itineraries, which result in ticket issuance.

17.2.3. Once the ticket is issued, if the traveler requests a change in that ticket that requires ticket reissuance, the Contractor shall charge the Government an additional transaction fee. No additional transaction fee shall be charged for any other services.

17.2.4. After ticket issuance, if the Contractor must change and/or change and reissue the ticket because the Contractor or the Government discovers a Contractor-caused error in the routing, carrier or other problem, there shall be no additional transaction fee charge.

18.0 Security

The Government reserves the right to deny access to U.S.-owned and U.S.-operated facilities to any individual. The Contractor shall provide the names, biographic data and police clearance on all Contractor personnel who shall be used on this contract prior to their utilization as required below in "Government Approval and Acceptance of Contractor Employees". The Government shall issue identity cards to approved Contractor personnel, each of whom shall display his/her card(s) on the uniform at all times while on Government property or while on duty at private residences. These identity cards are the property of the Government and the Contractor is responsible for their return upon termination of the contract, when an employee leaves Contractor service, or at the request of the Government.

19.0 Government Approval and Acceptance of Contractor Employees

The Contractor shall subject its personnel to the Government's approval. All employees shall pass a suitable investigation conducted by the Contractor, including recommendation(s) from their respective supervisor(s). Also required is a police check covering criminal and/or subversive activities, a check of personal residence, and a credit investigation. All such investigations shall be provided in summary form to the COR for review and approval or disapproval. The contractor shall not use any employees under this contract without Government approval.

20.0 Key Personnel.

20.1 The Contractor shall assign to this contract the following key person to the identified position/function:

POSITION/FUNCTION	NAME
Project Manager	_____*
Site Manager(s)	_____*

*To be completed at time of award.

20.2. During the first 90 days of performance, the Contractor shall make no substitutions of key personnel unless the substitution is necessitated by illness, death, or termination of employment. The Contractor shall notify the COR within 10 calendar days after the occurrence of any of these events and provide a detailed explanation of the circumstances necessitating the proposed substitution, complete resume for the proposed substitute, and any additional information requested by the COR. The proposed substitute must possess qualifications comparable to the original key person, as well as satisfying any minimum standards set forth elsewhere in the solicitation/contract.

20.3 After the first 90 days, the Contractor may substitute a key person if the Contractor determines the change is necessary. However, prior to making that substitution, the contractor shall provide a complete resume for the proposed substitute, and any additional information requested by the Contracting Officer. The proposed substitute shall possess qualifications comparable to the original key person and meet the minimum standards set forth in the contract.

20.4. Whenever a Key Person substitution is requested, the Project Manager shall sign the resumes, certifying that the resume is accurate and complete, and that the proposed replacement meets the required experience levels. The COR will notify the Contractor within 5 calendar days after receipt of all required information of the decision on the substitution. The COR shall confirm oral approvals or rejections in writing. The Government will modify the contract to reflect any changes in key personnel.

21.0 Personal Injury, Property Loss or Damage (Liability) - The Contractor hereby assumes absolute responsibility and liability for any and all personal injuries or death and/or property damage or losses suffered due to negligence of the Contractor's personnel in the performance of the services required under this contract.

22.0 Insurance - The Contractor, at its own expense, shall provide and maintain during the entire period of performance of this contract, whatever insurance is legally necessary. The

- (b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.**

52.216-21 REQUIREMENTS (OCT 1995)

(a) This is a requirements contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies or services specified in the Schedule are estimates only and are not purchased by this contract. Except as this contract may otherwise provide, if the Government's requirements do not result in orders in the quantities described as "estimated" or "maximum" in the Schedule, that fact shall not constitute the basis for an equitable price adjustment.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. Subject to any limitations in the Delivery-Order Limitations clause or elsewhere in this contract, the Contractor shall furnish to the Government all supplies or services specified in the Schedule and called for by orders issued in accordance with the Ordering clause. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(c) Except as this contract otherwise provides, the Government shall order from the Contractor all the supplies or services specified in the Schedule that are required to be purchased by the Government activity or activities specified in the Schedule.

(d) The Government is not required to purchase from the Contractor requirements in excess of any limit on total orders under this contract.

(e) If the Government urgently requires delivery of any quantity of an item before the earliest date that delivery may be specified under this contract, and if the Contractor will not accept an order providing for the accelerated delivery, the Government may acquire the urgently required goods or services from another source.

(f) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; provided, that the Contractor shall not be required to make any deliveries under this contract after the agreed performance period of this contract ends.

52.217-8 OPTION TO EXTEND SERVICES (NOV 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within the performance period of the contract.

52.217-9 OPTION TO EXTEND THE TERM OF THE CONTRACT (MAR 2000)

- (a) The Government may extend the term of this contract by written notice to the Contractor within the performance period of the contract or within 30 days after funds for the option year become available, whichever is later.

- (c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed two years.**

52.232-19 AVAILABILITY OF FUNDS FOR THE NEXT FISCAL YEAR (APR 1984)

Funds are not presently available for performance under this contract beyond September 30 of the current calendar year. The Government's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise for performance under this contract beyond September 30 of the current calendar year, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.

(A) The Contractor recognizes that the services under this contract are vital to the government and must be continued without interruption and that, upon contract expiration, a successor, either the government or another contractor, may continue them. The Contractor agrees to (1) furnish phase-in training and (2) exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor.

(B) The Contractor shall, upon the contracting officer's written notice, (1) furnish phase-in, phase-out services for up to 90 days after this contract expires and (2) negotiate in good faith a plan with a successor to determine the nature and extent of phase-in, phase-out services required. The plan shall specify a training program and a date for transferring responsibilities for each division of work described in the plan, and shall be subject to the contracting officer's approval. The Contractor shall provide sufficient experienced personnel during the phase-in, phase-out period to ensure that the services called for by this contract are maintained at the required level of proficiency.

(C) The Contractor shall allow as many personnel as practicable to remain on the job to help the successor maintain the continuity and consistency of the services required by this contract. The Contractor also shall disclose necessary personnel records and allow the successor to conduct on site interviews with these employees. If selected employees are agreeable to the change, the contractor shall release them at a mutually agreeable date and negotiate transfer of their earned fringe benefits to the successor.

(D) The Contractor shall be reimbursed for all reasonable phase-in, phase-out costs (i.e., costs incurred within the agreed period after contract expiration that result from phase-in, phase-out operations) and a fee (profit) not to exceed a pro rata portion of the fee (profit) under this contract.

SECTION 4 - EVALUATION FACTORS

1.0 Award will be made to the quoter which quotes the lowest transaction fees, as determined by following the procedures outlined in paragraph 3.0 below. The quoter shall submit a completed solicitation, including Sections 1 and 5.

2.0 The Government reserves the right to reject proposals that are unreasonably low or high in price.

3.0 The lowest price will be determined by multiplying the offered transaction fee for each contract line item in Section 1 for each period of performance by its respective estimated requirements set forth below. These requirements represent the estimates for each period of performance rather than the entire contract period, so the transaction fee for each period of performance will be multiplied by the same estimated requirements. The subtotals for the base and all optional periods of performance will be totaled to arrive at the total transaction fees to be charged to the Government. The estimates set forth below are based on official travel only, not personal travel. These estimates are provided only for purposes of computing the estimated transaction fee payment and are not guaranteed.

<u>TRANSACTION DESCRIPTION</u>	<u>ANNUAL EST. NUMBER OF TRANSACTIONS</u>
Within City Limit Services – Domestic/ International Transaction Fee	See Section 1 attachment 4
On-site Services – Domestic/International Transaction Fee	See Section 1 attachment 4
On-line Booking Fee – Domestic/International	See Section 1 attachment 4
Overnight Delivery Fee	See Section 1 attachment 4
Courier Delivery Fee	See Section 1 attachment 4

4.0 The Government will determine quoter acceptability by assessing the quoter's compliance with the terms of the RFQ.

5.0 The Government will determine quoter responsibility by analyzing whether the apparent successful quoter complies with the requirements of FAR 9.1, including:

5.1. adequate financial resources or the ability to obtain them;

5.2. ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;

- 5.3. satisfactory record of integrity and business ethics;
- 5.4. necessary organization, experience, and skills or the ability to obtain them;

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) *o* Are, *o* are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) *o* Have, *o* have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(4) *o* Have, *o* have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).
