

Do I qualify for the Interview Waiver Program?

I hold an Indonesian passport.

I have a valid visa or it expired within the last 12 months.

That visa was issued on or after 1 June 2007.

I was 14 years old or older when I applied for that visa.

I have never been arrested or convicted of any crime.

I have not stayed in the U.S. longer than 6 months on a B1/B2 visa.

My visa does not state "Clearance Received".

I have not been refused a U.S. visa in the last 12 months.

If you fulfill ALL of these requirements, you may be eligible to participate in the program.
