

GIST Technology Idea Competition

Where Innovative Minds and
Entrepreneurial Spirit Merge

The Global Innovation through Science and Technology (GIST) initiative is seeking innovators, scientists and entrepreneurs to participate in this first-ever, multinational technology idea competition.

Apply today at GISTinitiative.org and be part of a whole new experience!

- Upload your idea as a 2-minute video
- Semifinalists will be selected by online peer vote on YouTube

Why You?

Because we think you are

- curious
- original
- open to new discoveries & new opportunities
