

**Questions and Answers Regarding
Solicitation No. SEI300-15-Q-0004
U.S. Embassy Dublin - Posted 01/8/2015**

Question #1:

May contractor propose only using one top secret cleared technician who would in turn escort a second un-cleared technician?

Answer #1:

No, all technicians performing services under the contract must possess a valid top secret clearance from the U.S. Government.
