Q: Solicitation paragraph 1.4 defines a minibus as carrying up to nine passengers. Where transportation of nine passengers is requested by minibus, should I submit a price for a larger vehicle with capacity to carry nine passengers plus driver which is a ten-seater vehicle?

A: You are requested to submit your proposal based on the most cost-effective and minimum number of vehicles required to meet the requirement of the US GOV. If a ten-seater vehicle meets these requirements then yes, please submit your bid based on the larger vehicle.
