

AMERICAN CONSULATE GENERAL

Istanbul, Turkey

LIST OF HOSPITALS, PHYSICIANS AND DENTISTS IN ISTANBUL

(As of February 2010)

The following includes four hospitals in Istanbul with staff having some English language capability as well as a representative listing of physicians and dentists who speak English.

This list does not constitute a recommendation by the Consulate General of the hospitals or individuals listed. Neither should it be considered a comprehensive list of competent English-speaking physicians and dentists in Istanbul.

HOSPITALS

KOC AMERICAN HOSPITAL

Address: Guzelbahce Sokak, Nisantasi ; Tel: (212) 311-2000

www.amerikanhastanesi.org/TR/

Koc American Hospital has 143 beds and is equipped to treat medical, surgical and maternity patients. A limited number of psychiatric and contagious diseases are accepted.

KAH is operated by a US non-profit foundation founded in 1920. A Turkish doctor serves as Medical Director and a Canadian nurse serves as the Director of Nursing. A 24-hour emergency room operates with a resident doctor and specialists in attendance. The doctors have an adequate command of English. In addition to routine hospital care, services include intensive care, 24-hour emergency coverage, and a complete diagnostic center with ultrasound, angiography, mammography & others.

INTERNATIONAL HOSPITAL

Address: Istanbul Cad. 82 Yesilkoy; Tel: (212) 468-4444 (25 lines)

www.internationalhospital.com.tr

Located close to the airport, International Hospital has 154 beds, including 8 coronary-care and 10 surgical-care beds. It is privately owned and equipped with up-to-date technology. A complete range of medical services is provided, including internal medicine, general surgery, obstetrics and gynecology, pediatrics and pediatric surgery, cardiovascular surgery, neurosurgery, orthopedics and nuclear medicine. The International Hospital's Emergency Department is open 24 hours a day, as is its laboratory.

The International Hospital's administration, physicians and staff are Turkish. Many of the hospital doctors speak English and have postgraduate experience in the United States.

ISTANBUL SURGERY HOSPITAL (CERRAHI HASTANESI)

Address: Ferah Sokak, No.18, Nisantasi ; Tel: (212) 296-9450
www.istanbulcerrahi.com

Istanbul Surgery Hospital is a new private hospital, located in Nisantasi, five minutes from Taksim Square. It specializes in ophthalmology; dermatology; internal medicine; ear, nose and throat; voice and speech disorders; in-vitro fertilization and gynecology; general, plastic, orthopedic, and urological surgery. Twenty-four hour emergency service is available with complete radiological and laboratory services. All department heads are fluent in English, and the medical director is a board-certified American eye surgeon.

METROPOLITAN FLORENCE NIGHTINGALE HOSPITAL

Address: Cemil Aslan Guder Sokak, No: 8, Gayrettepe ; Tel: (212) 288-3400
www.florance.com.tr

The Metropolitan Florence Nightingale Hospital opened in July 1997, and has recently been certified for ISO 9001 by TUV Rheinland Germany. The hospital has a capacity of 100 beds, inclusive of 8 intensive care and 5 neonatal intensive care beds. The hospital specializes in gynecology, medical and radiation oncology, neurosurgery, urology, ophthalmology, pediatrics, plastic surgery and nuclear medicine. Latest technology equipment is available for diagnostic and therapeutic purposes. The hospital has an ongoing project with the Institute of Biomedical Engineering of Bogazici University for risk management issues and the calibration of medical equipment. Emergency, laboratory and radiology services are available 24 hours a day. Physicians speak English and have postgraduate experience either in the United States or Europe.

ACIBADEM HOSPITAL

Address: Tekin Sokak, 18, Acibadem – Kadikoy; Tel: (216) 544-4444
www.acibadem.com.tr/Acibadem_Kadikoy_Hastanesi.asp

Located on the Asian side of Istanbul, Acibadem Hospital, has also three outpatient clinics on the European side. The hospital has a partnership with Harvard Medical International. In addition to routine medical services, Acibadem offers a pain clinic, intensive care unit, ambulance service, physical therapy unit and sleep disorder laboratory.

MEMORIAL HEALTH GROUP

Address: Piyalepasa Bulvari, Okmeydani, 34385 Tel: (212) 4447888

www.memorial.com.tr

Memorial Hospital is the first JCI (Joint Commission International) accredited health center in Turkey, and 21st in the world. It is also the first hospital in Turkey to join American Hospital Association. It is located on the European side of Istanbul, Memorial, has also one outpatient clinic on the European side and two outpatient clinics on the Asian side. The hospital specializes in many areas especially on Cardiovascular Surgery, Organ Transplantation, IVF Andrologia and Genetics.

SISLI FLORANCE NIGHTINGALE HOSPITAL

Address: Abide-I Hurriyet Cad.No:164, Sisli Tel: (212) 224 4950/15 Lines

www.florance.com.tr

Located on the European side Florance Nightingale Hospital which is certified for ISO 9001 by TUV Rheinland Germany, has two more hospitals and an outpatient clinic on the European side. The hospital specializes in many areas especially on Cardiovascular Surgery, Organ Transplantation, IVF and Cancer.

ACIBADEM MASLAK HOSPITAL

Address: Buyukdere Cad. No:40 34457 Maslak Tel: (212) 304 4444

www.acibadem.com.tr/Maslak

Located on the European side Acibadem Maslak Hospital is JCI (Joint Commission International) accredited health center. There are four more hospitals and seven outpatient clinics in town that are part of the Acibadem group. The hospital specializes in many areas.

ACIBADEM FULYA HOSPITAL

Address: Dikilitas Mah. Hakki Yeten Cad. Yesilcimen Sok. No: 23 34349 Fulya, Besiktas

Tel: (212) 306 4444

http://www.acibadem.com.tr/Acibadem_Fulya_Hastanesi.asp
