Household Recommendations

Ms. Kamena Salmon cared for my school-aged daughter and newborn son from August 2011 to March 2013. During this time period, she proved to be an experienced, gentle, hardworking individual who is passionate about working with children. She worked approximately 45 hours a week, performed light housework, and took the kids to appointments and outings. She was always on time, trustworthy and an incredible component to our time in Jamaica. Ms. Salmon can be reached directly at [876-434-3236](tel:876-434-3236). I highly recommend Ms. Salmon with full confidence. If you have further questions about our experiences with her, please feel free to contact me, A. Antoine at aantoine1@gmail.com.

Lateasha Lewis I currently reside in the Stony Hill community. I am young professional both in age and abilities. This is not just a job for me it is what I love to do. If you the parent or guardian loves your child picking me will never feel like a mistake once you are in this for the right reasons. I have 5 years experience (professionally) taking care of young children, other than that I have been babysitting from an early age up to this date. I attended Shortwood Teachers College where I pursued my diploma in Early Childhood Education. I have a preference for live in work, but I am comfortable either way. I can be contacted at [8985633](tel:8985633) at your most convenient time. For more information on my personal and professional character you can contact Ms. Carmel [3595200](tel:3595200).

Denise Gordon has worked for 3 years on a full-time basis to care for our 2 small children. She has worked with Jamaican families as a nanny for over 4 years. She is kind, caring, honest, patient & efficient. She fully engages with our children, plays games, plays outdoors, reads & never puts on TV. She has been great with toddler milestones such as manners and potty training. She is punctual & goes the extra mile, takes directions & guidance well, and is always willing to be flexible with hours & scheduling. Denise would prefer a full-time, live-out position but can be flexible depending on the needs of the family. She is available asap. Contact her at [377-7575](tel:377-7575).

Ms. Barbara Bailey has worked with diplomatic families from the US, Canadian, French and German missions over the last 20 years. She has served as a helper to our family since we arrived at post 16 months ago. Duties assigned to Ms. Bailey include general housekeeping, laundering/ ironing, cooking and afterschool child care. With the departure of several families from post, she is looking to secure employment on Tuesdays and Fridays. Ms. Bailey is soft-spoken, diligent in her duties and sincerely caring of those she serves. If interested in obtaining her services, please give her a call at [\(876\) 877- 8747](tel:876-877-8747).
