Household Help

Ms. Marcia Ellington has been with my family since the birth of my daughter and my family has been very pleased with her. If my three children did not know any better, they would assume Ms. Marcia was their grandmother. When seen with my children, visitors and local Jamaicans alike who observed how she cares for my children, refuse to believe that she isn't a relative. Admittedly, her compassion for children and motherly virtue is what drew us to her and my wife and I think she will fit perfectly with any family. In addition to her mothering nature, Ms. Marcia is reliable, trustworthy and hardworking. She worked full-time at our home performing various housekeeping duties while taking care of our toddler (since her birth). Ms. Marcia has great initiative. Often times when she was done with all housekeeping duties, by observation and situation awareness, she would tackle minor tasks that afforded my wife and I the opportunity to spend more time with the kids on weekends. Ms. Marcia Ellington is currently available three days a week. To setup an interview with **Ms. Marcia**, please call her at **451-0949**. She has undergone a security background check and is cleared by RSO for domestic employment.

Karen is a reliable worker who puts her heart into her work. Karen quickly adapted to our house cleaning system with different soaps, organic products and duty designated towels. Each time she left for the day, our house looked like a hospital! Most importantly, Karen can be trusted. One day while reorganizing our daughter's doll house, Karen found my Tiffany silver & diamond ring. When I returned to the house later that morning, Karen proudly presented me the ring (which I quickly hid from my daughter & forgot to mention to my husband!) Whether it was money or jewelry, Karen can always be trusted with your household items. **Please talk to Gid for an in-depth reference or call Karen direct at: 420-1864**

Ms. Kamena Salmon cared for my school-aged daughter and newborn son from August 2011 to March 2013. She proved to be an experienced, gentle, hardworking individual who is passionate about working with children. Ms. Salmon worked approximately 45 hours a week, performed light housework, and took the kids to appointments and outings. She was always on time, trustworthy and an incredible component to our time in Jamaica. Ms. Salmon can be reached directly at [876-434-3236](tel:876-434-3236). I highly recommend Ms. Salmon with full confidence. If you have further questions about our experiences with her, please feel free to contact me at aantoinel@gmail.com.

Ms. Christine Morgan has been an excellent house keeper for my family for the past 3 years. She is very dependable, trustworthy, and an excellent house cleaner. She has worked for many US Embassy families over the past years and has always received the highest recommendation. She can also prepare meals. She currently has days available. I highly recommend her. **She can be reached at 407-1194**. If you have any questions please do not hesitate to contact me. **Les deGraffenried, (577-3340)**.
