Featured advertiser recommendation:

I just had a really great experience with a Jamaican company that I want to tell you about in case other Embassy employees need their services. Yesterday afternoon when I went out to my car to go home it would not start. I did a little investigation and thought there was a good chance it was a bad battery. This morning I called Tropical Battery at 1-888-767-4225. They have a mobile response service. The technician Dane Christian came to the Embassy within about 20 minutes of my call as promised. He brought testing equipment and a new battery. He tested the battery and verified that it was in fact bad, and then replaced it with a new one. I checked the prices online last night in the states and the price was pretty close to what I would have paid in the U.S. He had all of the right tools to get the job done quickly and efficiently and even had a portable credit card machine so that I could pay with my credit card. He was in and out of the parking lot in about 15 minutes and my car is back up and running. This is probably the best customer service experience I have had in Jamaica. They have this mobile service in the Kingston, Ocho Rios, Mandeville and Montego Bay areas. The fee for the mobile service was just J\$1000 well worth the cost if you are stranded with a dead battery.

I just thought others might want to know about this service.

Household Help

Sandra has been working for our family for several years and during that time she has taken care of our 3 children, cleaned and been an excellent cook, catering for different needs, one vegan and one vegetarian! She is reliable, hard working and trustworthy. She has worked for Embassy families for many years. She is available for immediate, full time employment but would also accept day work. I would highly recommend Sandra without any hesitation. **Please contact her at 408-4146.** If you would like further information, I can be contacted on 412-2736 (Rachel) .

Ms. Elizabeth Cherry looks for a full time employment as housekeeper/nanny. She is honest, reliable and have many years of experience. **She can be contacted at 581-4390.** If you need further information, please feel free to contact me at marellita@libero.it.

Miss Jennifer Hamilton is available for days work. She is an excellent housekeeper with over 25 years experience working with both Jamaican and ex-pat households. She is a very good cook with 2 certificates in culinary education: basic and advanced from Grace Kitchens Creative Cooking Courses. She has also worked part-time with catering and assisting at functions. **Phone: 876-407-1190.** References available on request.

I have had the pleasure of employing **Marva Reid** since June 2012 as a part-time helper/nanny for three days a week. Marva is trust worthy, honest and an extremely conscientious hard worker with the highest cleanliness standards! Before working for us, she had worked for 9 years for two U.S. Embassy families with small children. Marva does excellent house-cleaning, ironing, and laundry. **She can be contacted at cell phone number 407-7824.** We highly recommend her and should you need to contact us for further information you can reach me at lilam@iadb.org.

It is with full confidence, that I recommend **Ms. Kamena Salmon** as a nanny/ child-care provider. For two years, Ms. Salmon provided child-care and tutoring for my school-aged daughter and newborn son. In addition to childcare, Ms. Salmon performed housework, cared for our pets, and occasionally assisted with errands and food preparation. She is always on time, trustworthy and was an incredible component to our time in Kingston. **Ms. Salmon can be reached directly at 876-434-3236.** If you have questions, please feel to contact me at aantoinel1@gmail.com.

Hyacinth McKellop is available to work in February 2016. She is a nanny and also cleans, cooks, and helps with other tasks around the home.
