Household Help

Ms. Yvonne Bennett has been working on a weekly basis as my helper for almost two years. Yvonne has proven herself to be a very reliable, thorough and trustworthy helper, with a long history of working for Embassy families. Several of the families that she has worked for have recently departed or are departing soon, and she is looking for additional hours. **She can be reached at 876-843-3614.**

I have employed **Marva Reid** since June 2012 as a part-time helper/nanny for three days a week. Before working for us, she had worked for 9 years for two U.S. Embassy families with small children. When I contacted them as a reference, they had nothing but wonderful things to say. Marva does excellent childcare, house-cleaning, ironing, laundry and is an amazing cook. **She can be contacted at cell phone number 407-7824.** We highly recommend her. Contact us for further information at lilam@iadb.org or 552-5452.

If you're looking for a part-time helper who will clean your house and iron your clothes like a professional, **Ms. Monica** is the one for you. She was with us for 3 ½ years and we found her to be reliable, trustworthy and a very caring person. **Contact her at 434-1446.** For reference contact browngirl1970@gmail.com.

Kerry-Ann seeks weekly employment as a nanny and/or domestic helper. She is honest, reliable and punctual. She takes instructions/guidance on cleaning routines and requests very well. She is always willing to be flexible with hours, scheduling and babysitting requests. **She can be contacted at 5471052.** If you have further questions about my experience with her, please feel free to contact me at marellita@libero.it.

Rosetta Steer has been working as a household worker for over 20 years. She has worked for expats for the last 4 years. She always exhibits a professional manner and takes great care in all responsibilities she is asked to do. Ms. Steer takes care of a house in an exceptional manner, cleaning, washing and ironing clothes. She goes the extra mile checking areas around the house that require special cleaning and is honest, hard working and unfailingly honest. She recently won House Worker of The Year in a competition sponsored by Grace Kennedy Foods. Ms. Steer is available Tuesday/Friday. **Call her directly at 874-8740.**

Joan Clarke is currently available as a nanny. She has done a great job caring for my infant daughter. She is warm, genuine, full of energy, and experienced with young children. She came highly recommended to us from an embassy family she had worked with for a number of years, and has a 15 year history in childcare. Feel free to contact Angela for a reference at 823-3250 or **speak to Joan directly at 589 0223 or 344 1297.**

Ophelia Nolan is looking for full-time work and was previously employed by a US Embassy family. She comes highly recommended: "Her normal duties included cleaning the house, basic cooking, and care for my two children after school. She has supervised part-time staff for diplomatic receptions, including setup, service, and cleanup. Mrs. Nolan is responsive to directions and requests. She has been flexible on work hours and child care, which has been very helpful to our family. I enthusiastically recommend her for household employment." **Ophelia can be contacted directly at 857-6562.**
