Household Help Recommendations

New Entry!

Christine Morgan-Collins has done our housework and much of our cooking for the past two years, and she has done an absolutely splendid job. Whenever I asked her to do something, she completed the task with energy and efficiency, but I soon found that precise instructions were unnecessary. Christine adjusted to our needs and preferences immediately; before long she was planning her work far better than I could, completing all the tasks I would have asked of her and adding some that never would have crossed my mind! When we approached her with the notion of cooking as well, she cheerfully added meal preparation to her schedule. She was equally adept at cooking from recipes and improvising on her own. Christine works hard and makes full use of her good common sense. She is absolutely trustworthy. People who want things "just so" will find her able to fill the bill, but so will people who want someone who can work independently without much instruction. Christine can be reached at 407-1194. If you have any questions, please contact cmcculla@gmail.com Cheryl McCulla

New Entry!

Rosetta is a wonderful housekeeper who will keep your home free from dust, dirt, and grime while keeping a pleasant disposition. She is currently available for work on Mondays and Wednesdays and I highly recommend her. I have employed Rosetta for two and a half years, have no concerns about allowing her unfettered access to my home. She reads and writes well, allowing us to communicate even when I do not see her for weeks at a time (due to my work schedule). She is conscientious and is happy to care for my dog and plants as though they were her own. I am happy to discuss her performance in more detail (contact me at: jvail@usaid.gov) or you can call Rosetta directly at: 325-8191 or 874-8740.

Ms. Barbara Bailey has worked with diplomatic families from the US, Canadian, French and German missions over the last 20 years. She has served as a helper to our family since we arrived at post 24 months ago. Duties assigned to Ms. Bailey include general housekeeping, laundering/ironing, cooking and after-school child care. With the departure of several families from post, she is looking to secure employment on Tuesdays, Wednesdays and Fridays. Ms. Bailey is soft-spoken, diligent in her duties and sincerely caring of those she serves. If interested in obtaining her services, please give her a call at (876) 877-8747. Should you need further reference, please do not hesitate to contact me. tnpointer9165@yahoo.com

Sherene Johnson seeks weekly employment as a Domestic Helper. She irons, washes and cleans immaculately well. She cooks exquisite meals, and is excellent with small children. Sherene is an added gem to any household, she can be contacted at 299-7750 at any time.

AMAZING NANNY AVAILABLE – starting from June 4, 2014. **Ms. Claudette Brown** has been our rock for 4 years in Kingston. We and our two boys adore her. She came highly recommended from her prior U.S. Embassy employers, and with reason! ALWAYS dependable and on-time, INCREDIBLY calm, and UBER-honest. Great with pre-school milestones like potty-training and learning manners. Ms. Claudette consistently does more than we ever ask of her, and whoever gains her services will be very lucky indeed. Interested parties may contact Ms. Claudette at 351-5130, or Cherryl Rustia-Boyll (702-6102) and John Boyll (702-6232) for more details.

Sydonne Rose is seeking a full time live out position as a domestic helper. She is very capable and does excellent work at taking care of small children or the elderly. She is a diligent hard working individual who takes pride in her job. She takes instructions very well and is a truly a pleasure to work with. Please call her at 316-4707.

Karen Coore seeks weekly employment as a Domestic Helper. She is very good with all household chores and she is an experienced nanny. She can be contacted at 364-7943 / 836-0506 at any time. Reference available upon Request.

Michelle Lemhard is seeking a position as a housekeeper. She comes highly recommended. She has been working with the EU missions residence for the past 9 years. She has also served at the British High Commission assisting with events/functions. Ms. Lemhard is seeking preferably full-time work but is also open to part-time / day's work. Please call 299 8742. Thanks.

It is my pleasure to recommend Ms. Kamena Salmon as a nanny. Ms. Salmon cared for my school-aged daughter and newborn son from August 2011 to March 2013. During this time period, she proved to be an experienced, gentle, hardworking individual who is passionate about working with children. Additionally, Ms. Salmon worked approximately 45 hours a week, performed light housework, and took the kids to appointments and outings. She was always on time, trustworthy and an incredible component to our time in Jamaica. Ms. Salmon can be reached directly at [876-434-3236](tel:876-434-3236). I highly recommend Ms. Salmon with full confidence. If you have further questions about our experiences with her, please feel free to contact me at aantoine1@gmail.com.

MEK WI GOH A DI JAMERICAN RESTAURANT INNA CHRISTIANA GOH NYAM

Main Street, Christiana, Manchester Jamaica
876 964-2695

Yeah Man!

The JAmerican Spice Is Right ah di rite Spot fi go!

Owned, operated and serving up a whole heap of good Jamaican food is Terry and Stephanie McFarland's little slice of heaven in Christiana Jamaica. A few of you might remember Terry Wayne aka Driva as he was a member of our Embassy family back in 2006-2008 working in the USMLO. During his two year tour he fell in love with the peace, tranquility and endless beaches in Jamaica which made him realize he wanted to make Jamaica his home away from home. Out of their love for island life and Jamaican food, which by the way Terry enjoyed cooking even before coming to Jamaica, Terry and Stephanie opened their restaurant in the town of Christiana and so the story begins. Earlier this year a few of us from the Em-

bassy had the pleasure of attending their grand opening and can I tell you, the food, the music, the atmosphere and good time lives up to their motto, Good Food, Good Friends, Good Times. Terry and Stephanie would like to extend the invitation to everyone to come and experience his JAmerican flavor on Memorial Day weekend, Sat May 24th 4:00...

Come empty and leave full. See you there

CAMP INVENTION

Stemfinity

Science Technology. Engineering. Mathematics

Stemfinity Camp Invention is pleased to offer a summer adventure program. This exciting, two week long summer adventure in creativity immerses children in problem solving activities that reinforces and supplements school-year learning in the subjects of science, technology, engineering, and math (STEM).

A day at the Camp Invention program is packed with hands-on activities, brainstorming, experimentation, and unbelievable action! Children will rotate through four modules each day, each of which encourages working in diverse teams, engaging in investigations, experiments, and engineering challenges that combine science, technology, engineering, and math (STEM) in hands-on activities that disguise learning as fun.
