

U.S. CONSULATE GENERAL, JERUSALEM

**LIST OF MEDICAL SERVICES PROVIDERS IN THE CONSULAR
DISTRICT OF JERUSALEM**

Revised May 2013

DISCLAIMER: The Consular district of the American Consulate General in Jerusalem comprises the city of Jerusalem, the West Bank and the Gaza Strip. This partial listing of doctors practicing in that district is for the information of American citizens who find themselves in need of medical services. The U.S. Consulate General assumes no responsibility or liability for the professional ability, reputation, or quality of services provided by the medical professionals, medical facilities or ambulance services whose names appear on the following lists. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Consulate. The order of names of the institutions or the physicians mentioned in this list is of no significance. The information in the list on professional credentials and areas of expertise are provided directly by the medical professional, medical facility or ambulance service; the Consulate is not in a position to vouch for such information. You may receive additional information about the individuals and facilities on the list by contacting local medical boards and associations (or its equivalent) or local licensing authorities.
