## Continuation Sheet

1. **Standars Form (SF-18) Block 6 & 10:** The due date for submitting the bids is extended till **Monday, March 30, 2015, no later than 02:00 pm (Israeli local time)**, at the address mentioned in block 7 of this amendment.

2. **Section B – Statement of Work: B.3.2 - SITE VISITS:** is hereby replaced by the following:

Services shall include site visits to the construction sites. *Include two site visits under CLIN001 for each project.* These on-site visits may include submittal and sample reviews or other construction-related services.

3. **Section B – Statement of Work: B.3.3: INSPECTION ACTIVITIES: B.3.3.2 – Contractor Liability** – is hereby replaced by the following:

The Contractor shall interact with the construction contractor or the A/E of record. The Contractor shall limit all interaction regarding services provided under this contract, to interaction with the Contracting Officer, INL-COR, or designee.

4. **Section B – Statement of Work: B.3.3: INSPECTION ACTIVITIES: B.3.3.3 – These on-site visits may include the following:** is hereby replaced by:

- Documentation and description of differing site conditions, dates of discovery, potential impact on the project schedule and costs. This documentation shall be part of the inspection report, as the situation requires.
- Review of surveys, alignments, and elevations during construction to assure conformance with the drawings and specifications.
- Review of construction contractor compliance with the quality level expected for the project. Before any review, the Contractor shall develop procedures for analyzing the quality of work performed.
- Review of the adequacy and acceptability of the engineering aspects of the construction work through field inspections, review of construction reports, and meeting with COR.

5. **Section B – Statement of Work: B.3.4 – MISCELLANEOUS DIRECTLY-RELATED SERVICES** – is hereby replaced by the following:

Services shall include miscellaneous related services most of which are to be provided on an *as-needed basis*. One service that must be provided throughout the term of this contract are accurate daily weather reports, to be provided weekly. The Contractor shall provide the following miscellaneous related on an as-needed basis:

- Review the construction contractor's progress payments submittals for accuracy and acceptability. Following receipt of the construction contractor's request for payment from the COR, and on the basis of an inspection of the work, the Contractor shall perform a review of the progress payment and make a written recommendation to the COR as to the amount which is then due. If the Contractor recommends less than the full amount, the Contractor shall provide the reasons for the lesser payment.
- Provide assistance to the COR in preparation of a punch list and verification of punch list items being corrected, and recommend issuance of the substantial completion and final completion certificates for the construction.

**6. Section B – Statement of Work: B.3.5 – ORDERING – is hereby replaced by the following:**

The COR will order the services in accordance with the Statement of Work. The Government will not pay for work performed by the Contractor if the work was not ordered in writing by the COR. The order will include the list of documents to be reviewed or other work activities required on that visit and a proposed time period for the visit. The Contractor proposed dates for the visit must be approved by the COR prior to the visit. The Contractor shall follow the schedule of inspection as defined in B.3.3. above and set forth as Exhibit A. The COR will order any additional visits in writing. The order will detail the services to be provided or other work activities required on that visit and a proposed time period for the visit.
